## EVERETT

The School Committee, which adjourned Monday night because of the lack of a quorum, will make another effort to meet on Tuesday night at the High School Building Committee rooms. The meeting is being called by three members of the School Committee, John J. Barry, Daniel J. Jameson and Raymond J. Hall. The two attempts to hold a special meeting during the past two weeks failed because of the lack of a quorum of five of the nine members. The appointment of eight grade and six assistant teachers in the elementary schools and the making of repairs in two elementary schools will be taken up at the meeting.

Mrs Willard P. Lombard, wife of attorney and ex-city solicitor Lombard of this city, is reported to be on the road to recovery at St Joseph's Hospital, San Francisco. She sustained injuries to her head and about the body as the result of the collision of the auto in which she was riding on a sight-seeing tour with friends in San Francisco this week. It is expected that she will be able to return to her home in a few weeks.
