

Physical Director to Wed.

If current reports count for anything, Kenneth E. Andrew, the popular physical director at the local Y. M. C. A. is to join the ranks of the benedicts this spring, as his name is being linked, in that respect, with Miss Edna Lombard, a Springfield, Mass., young woman. It is said that the wedding bells will ring at the home of the bride on June 1.

Mr. Andrew came here from Boston, Mass., last September, and during his residence here has made a number of friends among the members of the Y. M. C. A. and outsiders. He is a graduate of the Y. M. C. A. college of Springfield, Mass., where he made a name for himself in athletics. His term of office at the local association has been featured by a number of innovations in athletic management, the latest of which is a system of physical examination for gymnasts.
